

As of November 1, 2020, Berkshire Hathaway Energy has completed its acquisition of Dominion Energy's Gas Transmission and Storage business in the eastern region. This new company, BHE GT&S, is now a standalone subsidiary of Berkshire Hathaway Energy's Pipeline Group. Dominion Energy Transmission Inc, is now Carolina Gas Transmission. Our pipeline markers are scheduled to be updated with our new name and logo, but in the interim know that pipelines with line markers displaying the Dominion Energy Transmission Inc. name, are now owned/operated by Carolina Gas Transmission.
